

## Tokai University

Tokai University is a private university established by Dr. Shigeyoshi Matsumae in 1942. It consists of 7 campuses all over Japan, which are comprised of 19 schools made up of 75 majors. The curriculum spans the whole range of academic endeavors, from the humanities to the social and natural sciences at bachelor's, master's and doctoral degree programs. We provide education that equips personnel with autonomy and creativity to support and bring positive changes to the rapidly changing modern world. And encourage of cutting-edge research for the next generation in a variety of fields, centering on nanotechnology and life sciences to contribute to the creation of a harmonious society where all can live together in peace. The total student population is approximately 28,000.

Tokai University has six offices abroad (Denmark, Austria, U.S.A., Korea, Thailand, and Russia) and an American two-year junior college (Hawaii Tokai International College). Tokai University have been actively involved in exchange activities with Moscow State University, Far Eastern Federal University, Sakhalin State University, National Research University Higher School of Economics and Far Eastern Medical State University. Currently we work together to foster bridge personnel between Russia and Japan on life care for economic development in Russian Far East.
