About

National Changhua University of Education

NCUE is situated at the foot of Bagua Mountain. The 51-hectare university consists of two scenic, serene and spacious campuses, Jinde and Baoshan. It is one of the three prestigious national normal universities in Taiwan, and the only national university in Changhua.

NCUE has been dedicated to the cultivation of a balanced program of teacher education, scholarly research, student development and community service. The university employs a well-organized system for such as education, art, science, technology, engineering, management, and social sciences and physical education.

NCUE

Changhua City is a transportation hub in central Taiwan where the mountain-line and coast-line railways converge. The geological location provides considerable advantages for exchanging government-academia collaborations and rooting a stronghold with the local industries. Moreover, Changhua is also distinguished by its historical architecture and various traditional activities which make it an attractive place to visit.
